

SWISS ASSOCIATION FOR NURSING SCIENCE ACADEMIC SOCIETY FOR CARDIOVASCULAR NURSING

THE ACADEMIC SOCIETY

The academic society for cardiovascular nursing joins nurses with scientific education, nurses with a master or doctoral degree. We are interested in optimizing the care of persons with cardiovascular and cerebrovascular illness and their families.

10 years AS Cardiovascular Nursing 2008-2018: EXAMPLES

> **Foundation:** Swiss Association for Nursing Science VFP/APSI, general assembly, May 16th 2008, Aarau; Members: A. Bernhard, E. Burtscher, H. Geschwinder, F. Grossmann, S. Jaggi, M. Leventhal, R. Mahrer Imhof, H. Rettke, N. Zigan

> **President:**

- 2008-2018: Nicole Zigan
- Since 06/2018: Petra Schäfer-Keller, Co-President Lukas Weibel (since 11/2018)

> **Facilitating Research for Nurses**

- Since 2011: SSC annual meeting, collaboration with WG cardiovascular nursing and allied therapies (AG KAPT): Program Nursing Day, joint sessions, Abstract reviewing
- 2016: Nursing Science Session: "Dreiländersymposium Kardiovaskuläre Medizin und Rehabilitation – von pränatal bis hochbetagt", St. Gallen
- 2015 - 2016: Scientific Committee, "Kardiologie Pflege-Update", Zürich
- Information desk, Education for Nurses in Cardiology, UZH, Zürich

> **Discussing themes and taking position**

- 2016: Contribution, National Strategy Cardiovascular and cerebrovascular disease, stroke and diabetes
- 2016: Statement, "Bildungsplan Fachfrau, -mann Gesundheit EFZ, zhd. OdASanté"
- 2015: Workshop, National Strategy, Monitoring prevention and treatment of healthcare-associated infections, Bern
- 2015: Statement: ESC Heart Failure Nurse Curriculum, AG Heart Failure for SSC and CCNAP Education Committee
- Collaboration, Strategy and aims of the VFP

> **Supporting Research**

- Publication lists of members, see website
- Collaboration Swiss Research Agenda for Nursing, SRAN 2007-2017

WHAT WE AIM FOR

WE TAKE AN ONGOING EFFORT TO FURTHER PROFESSIONALIZE CARDIOVASCULAR NURSING, BY:

- > Be up to date with state-of-the art knowledge in cardiovascular nursing
- > Facilitate access to research results for nurses
- > Conduct, collaborate and/or support research projects
- > Discuss current national and international themes and communicate statements
- > Engage in national and international networking

Projects

CONTINUED 2018 PROJECTS AND 2019

2018, Research Registry (F-Register), Patient reported Outcomes (PRO) and Nurse-sensitive Outcomes

2019: Strengthening cardiovascular nursing (e.g., optimized collaboration with AG KAPT), F-Register, PRO; and (brainstorming): Guidelines, Patient and Public Involvement, Role development

MEMBERS (NOVEMBER 2018)

Anna Bernhard, MNS

Seraïna Bischoff, MNS

Cornelia Bläuer, PhD RN

Verena Cattilaz-Langenauer, MScN

Heike Geschwinder, PhD RN

Eva Horvath, MScN

Romy Mahrer Imhof, PhD RN

Petra Schäfer-Keller, PhD RN

Irene Stalder-Ochsner, MScN

Gaby Stoffel, MScN

Corina Thomet, MScN

Christine Vetter, MScN

Katrin Vogt, MScN

Lukas Weibel, MScN

Nicole Zigan, MScN

Kerstin Brachetto (ex-officio)
